CHAIN SAWS

# OWNER'S OPERATION AND MAINTENANCE MANUAL

### CAUTION/PLEASE READ

These chain saws are a complex tool. For your own safety, please read this manual carefully, thoroughly, to operate all our Power Mac chain saws.

Spending a few moments to thoroughly study this manual will save you a lot of time.

Time Machine will now begin a full manual backup of your Mac's hard drive. This can take quite a while depending on how many changes have been made to the Mac and the file system, and thus should be left alone to run a full backup course.. Scroll through the Snap-on AC machine's database of vehicles or enter the vehicle's year, make and model by following the instructions on the machine's digital readout.
